

A SONG FOR THE COMMONWEALTH

'In All We Say And All We Do'

Simon Haw

♩ = 75

In all we say and all we do, we seek for har-mon-y. A fa-mi-ly of na-tions, is

what we strive to be. All our hopes and fears shared as one, each voice heard e-qua-lly. In -

-all we say and all we do, a world wide fa - mi - ly, a world wide fa- mi-ly. The

rich - ness of the Co - mmon-wealth, strength in each we share. In

chan ging times we stand to-ge-ther, each we hold dear. The rich ness of our Co-m-mon-wealth,

strength we share - e-vry step we take to-ge-ther, Our path is clear. In

all we say and all we do, we seek for har-mon-y. A fa - mi - ly of na - tions, is

what we strive to be. All our hopes and fears-shared as one, each voice heard e-qua-lly. In - V.S.
